### SUMMARY

Creative and innovative concept artist with experience in developing original concepts and designs for various projects. Proficient in Photoshop and other graphic design software. Strong ability to communicate and collaborate with team members and clients to ensure the successful completion of projects. My passion for design is fueled by my commitment to creating high-quality, visually appealing content that communicates a clear message to its intended audience. I am always seeking to expand my skill set and stay up-to-date with the latest design trends and technologies.

### WORK EXPERIENCE

**Rubix Concept [Internship program for 3 months]**, Developed original concepts and designs for various projects.

Collaborated with team members and clients to ensure the successful completion of projects

Utilized Photoshop and other graphic design software to create high-quality artwork

Maintained a strong attention to detail throughout the design process.

**Tab Graphix [November 2023 - Present]**, brought imagination to life, sculpting fantastical worlds with strokes of creativity. From ideation to execution, I thrived on translating visions into captivating visuals, fueling the journey of storytelling through art.
